Consent to Energy Therapy for Horses

I, _____ (the undersigned owner or guardian)
of Horse Named _____
request and consent to receive Energy Therapy from Margaret Godson.

I am aware that this technique is not a medical treatment, nor a substitute for professional medical, naturopathic, chiropractic or professional training for this horse, I promise to consult professional medical care.

I am also aware that Energy therapy is a practice that only seeks to balance the energy fields of the horse's body. It is an attempt to clear the body's energy system of errors and interference and allow the body to heal itself. Balancing means the optimum flow of energy, which creates harmonious functioning of the body.

The Owner or Guardian agrees to assume full responsibility for any medical condition, disclosed or undisclosed, any drug usage disclosed or undisclosed, or any behavioral or emotional problem that the horse may have.

Liability Exemption Clause

It is agreed between the Owner or Guardian and the practitioner that Margaret Godson or EFT for Horses and Riders not be held liable for any personal injury of any nature whatsoever that arises or is a result of or caused by or contributed to by Energy Therapy; or by any failure to continue supplying Energy Therapy and balancing.

I have read this notice and understand and agree to its contents.
